The screenshot shows a user interface with two tabs at the top: "1 BA Social Sciences" and "2 BA Social Sciences". The "2 BA Social Sciences" tab is selected and active, displaying a calendar for "DINSDAG" with the date "25" visible. Below this, there are two more calendar panels. The left one is for "1 BA Social Sciences" and the right one is for "2 BA Social Sciences", both showing "DINSDAG" and the date "25".

How many times is my subscribed calendar updated in Outlook?

Your calendar in Outlook is updated several times a day. This frequency is determined by Microsoft (or Google of Apple if you use another calendar), **not by V.U.B.**

Update Limit

- Update this subscription with the publisher's recommendation. Send/Receive groups do not update more frequently than the recommended limit to prevent your subscription from possibly being cancelled by the content provider.
