EXPLORE BRUSSELS

# Menu

In Brussels you can turn a corner and end up in a new neighborhood with its own atmosphere and dynamics.

We propose you 4 different ways to start your discovery of Brussels. Some are more classic, others a bit more adventurous.

Scan the QR-code of your choice and start exploring Brussels.

After scanning the qr code, we ADVISE you to hold your mobile phone horizontally to be able to read the explanation of the waypoint.

## BY NEIGHBORHOOD

This qr-code will give you an overview of the different neighbourhoods we have selected for you. Every neighbourhood is different so there is a small description of each one to get you started. Once you have chosen a neighbourhood you will be directed to a map with the must see spots of that neighbourhood.

**HAVE FUN  
EXPLORING!**

# 3 MORE OPTIONS

These next qr-codes will lead you to another map with alternative ways of discovering the city that are not linked to a specific neighbourhood. Read more about the 3 alternatives below.

## SOUNDWALKS

SOUNDWALKS are like soundtracks for specific places that were created by local artists (don't forget your headphones).

## ON TWO WHEELS

Bicycles and scooters have gained popularity in recent years, and bicycle infrastructure is starting to improve.

## BAD WEATHER

What is true for Belgium is also true for Brussels from time to time the weather is not ideal to go and discover the city but no worries we came up with some alternative ways to do so and not get wet.
