

You will find an overview below of the master courses you can register for as a public servant at the ES faculty:

- We are counting on the fact that you will follow the classes of the chosen course(s) during the day (and join as many classes as possible) and not in our evening program.
- We limit the number of students who do not meet the enrollment requirements and who we admit to a maximum of 10 students.

From the list of courses below, choose the course(s) you would like to take.

Complete these courses on the request form 'enrolment with a credit contract' and enroll under a credit contract.
