A European policy and practice forum

Why attend

Transfer pricing in the EU is being reshaped by legal constraints, transparency obligations and new approaches to tax coordination. This conference connects policy developments with the day-to-day challenges faced by multinational enterprises.

PRACTICAL CHALLENGES

How multinational enterprises navigate diverging rules and administrative practice across Member States.

EU LEGAL FRAMEWORK

The interaction between transfer pricing, State aid, primary EU law, ATAD and the GloBE framework.

TRANSPARENCY AND TAX AUDITS

From reporting obligations and exchange of information to the use of data in transfer pricing audits.

DISPUTE MANAGEMENT

Prevention and resolution mechanisms for managing double taxation in the EU.
